Subject:- Deputation terms of civil officers deputed on duty out of India in quasi-European conditions, Provision of hotel accommodation in London.

With reference to your letter No. F. 44(10)-W/44 , dated the 9th August 1945, and enclosure, I am directed to state that the serious lack of hotel accommodation in London is now so acute that it is not possible to furnish a list of hotels where accommodation will be available to Officers proceeding to the United Kingdom on deputation from India. After mature consideration , it is thought that the most effective contribution towards securing accommodation for such Officers would be for this Office to receive, some two or three weeks in advance, telegraphic intimation of the approximate date of (the arrival of the Officer concerned. If this is done, contract can then be made with suitable hotels with a view to accommodation being obtained. Such telegrams should indicate the estimated date of arrival in London, the minimum accommodation required, and the duration of the stay. It is important to bear in mind that at least fourteen day's notice is essential if a reservation to be secured. Immediately accommodation has been reserved, the name of the hotel would be telegraphed to you. I am to stay that in the case of officers proceeding from India on leave who may be in need of hotel accommodation in London, it is suggested that they would be well advised to approach organizations in India such as Messrs. Thos.Cook & Son Ltd., who are now expanding their business and are willing to attempt th secure advance hotel bookings in London and elsewhere on their behalf.

I am to add that as other departments of the Government of India send officers to the United Kingdom on deputation additional copies of this letter are enclosed for favour of circulation
